Declaration of Decontamination

Due to the legal regulations and for the protection of our employees, every return of goods (complaint/repair/other reason for return) must be accompanied by a completed and signed declaration of decontamination.

For any incidents which occurred as a result of incorrect decontamination you may be held liable. Please sign the declaration of decontamination after the correct decontamination process.

Orders without a completed declaration of decontamination cannot be processed and will be returned to the sender at the sender's expense.

We kindly ask you to pack the return consignment professionally so that damage to the instruments is avoided and the risk of injury to our employees is reduced. Please add this declaration to the shipment and fix it OUTSIDE the parcel.

For fast processing, please provide the following information (if possible)
